Cold traps without condensate drain

Cold traps without condensate drain

Cold trap for direct filling of cooling agents, low cooling agent consumption due to double-walled design, apparatus connection: socket NS 29/32, vacuum pump connection: cone NS 29/32, made of DURAN® tubing

Coolant capacity (ml)	Pack (qty.)	Cat. No.
200	1	5 3550 46
500	1	5 3550 58
