Disposable ground joint sleeves, PTFE

Disposable ground joint sleeves, PTFE

Outstanding chemical resistance at operating temperatures from -200 to +260 °C, only 50 µm thickness, the sleeves fit like a second skin without adding bulk, without grip collar, simplifying use of joint clips

For ground joints (NS)	Pack (quantity)	Cat. No.
14/23	10	1 1015 14
19/26	10	1 1015 19
24/29	10	1 1015 24
29/32	10	1 1015 29
45/40	10	1 1015 45
